

Kevin Dhamecha

Software, Web & AI/ML Developer

About Me

BCA student with knowledge of Python, web development, and machine learning fundamentals. Completed an AI/ML internship and gained hands-on experience in data analysis and predictive modeling. Passionate about technology and problem-solving.

 Porbandar, Gujarat

Skills

- Python Programming
- Web Development
- Software Development
- Machine Learning Fundamentals

Language

- English
- Hindi
- Gujarati

Education

SHRI V. J. MODHA COLLEGE OF
INFORMATION TECHNOLOGY

(2023 -2026)

Bachelor of Computer Applications

Internship

(2025 -2026)

AI & MACHINE LEARNING

Tech Beats Solution

- Analyzed datasets to identify patterns and trends.
- Built and trained machine learning models for prediction.
- Applied AI techniques to real-world prediction problems.

Projects

1. HOSPITAL MANAGEMENT SYSTEM USING C#

- Developed a desktop-based hospital management system to manage patient records, appointments, and hospital operations using C#.

2. MACHINE LEARNING BASED RESULT PREDICTION SYSTEM

- Built a predictive model using Python to analyze data and predict results using machine learning techniques.
